GRADUATE SCHOOL / PROMOTIONSKOLLEG MATHEMATICAL  
ANALYSIS OF EVOLUTION, INFORMATION AND COMPLEXITY

NEW SCHOLARSHIPS STARTING JANUARY 2008

The Graduate School is an interdisciplinary school leading to a degree (Dr. rer. nat. or Dr. Ing.) in Mathematics, Theoretical Physics, Computer Science or Electrical Engineering. For further information see:

<http://graduateschool.mathematik.uni-ulm.de>.

We invite applications from graduate students with an excellent master's degree or Diplom in one of the above subjects. Please send a c.v., your records (Schulzeugnis, Diplomzeugnis), and a statement of your research interests to

Prof. Dr. W. Arendt, Institut Angewandte Analysis  
Universität Ulm, D - 89069 Ulm

**until November 30, 2007.**

IMPORTANT:

Applicants should also name one or two organizers of the graduate school who could act as thesis supervisors.

SCHOLARSHIPS:

The scholarships are given for 2 years and can be extended for one more year. The amount per month is **820,- Euro tax free**. Besides carrying out their specific research project, scholars are expected to participate in the courses and other activities of the graduate school.
